EVENT ORGANISER

I organized the "Congrès Régional d'Automne" which welcomes every year in October about 300 junior-entrepreneurs from the north of France. We had to plan activities, meals and lodging for all these people.

CHIEF INFORMATION OFFICER

As CIO, I had to maintain Centrale Lille Projects' IT systems and **ensure data protection in compliance with the GDPR**.

BE INNOVATIVE AND MOTIVATED

Innovating helps to gain market share and convince the customer. In the end, we can be proud of what we have done with a little bit of motivation.

Thank you to all my friends of the 2021-2022 mandate.
